Total factory employment figures relate to reorganised States and Union territories but exclusive of Jammu and Kashmir

Note : The difference between Total I and Total II + Total III is attributable to non-availability of employment breakdown in Government and non-Government factories for certain states

There may be slight differences in totals due to rounding up of figures. The data also includes the estimated employment in respect of factories not submitting returns.

Rough annual estimates of average daily employment for factories not submitting returns are 184 thousands in 1958, 10 thousands in 1959, 9 thousands in 1960 and 10 thousands each in 1961 and 1962.

i Figures for 1958 exclude Mysore for 1960, 1961 and 1962 exclude Himachal Pradesh, Jammu & Kashmir.

ii Rough Estimate of average daily employment in Mysore State is 35 thousand
